MFPI Lecture Series "POLITICS: PINOY STYLE"
"The Crisis of Leadership and the Challenge of Modernity"

In his lecture, Prof. Randy David proposes a way of looking at the governance problems of our society by linking these to the challenge of modernity. He will try to show that many, if not all, of these problems are normal manifestations of the difficult and often confusing transition to modernity that every society has to confront at one time or another - rather than the symptoms of an accursed condition for which there is no other cure but to find a messiah in our midst.

This lecture of Prof. Randy David, the last in the MFPI's lecture series on "Politics: Pinoy Style", will be held at 6:30 pm on Tuesday, March 9, 2010 at the Silverlens Gallery located at 2320 Pasong Tamo Ext., Makati City. MFPI Fellowship will follow right after the lecture.
